

Quality Policy of Vincotech

Power Modules

Electronic Manufacturing Services

Within Vincotech, Operational Excellence means maximizing our customers' satisfaction, our market position and financial results by ensuring continual quality and cost improvement in our processes, products, and services. Deployment of Operational Excellence enables us to meet the commitments within our Quality Policy.

It is the policy of Vincotech to deliver error-free products and services on time. Processes and controls shall be implemented such that tasks are performed properly the first time and to ensure that all products and services provided to our customers and to internal operations meet established requirements. Quality, continual improvement and customer satisfaction are the personal responsibility of each employee.
