

Team up with us! Vincotech, an independent company within the Mitsubishi Electric Corporation, is a market leader and reliable partner in power modules. The enterprise develops and manufactures high-quality electronic power components for motion control, renewable energy, and power supply applications.

Headquartered in Unterhaching near Munich, Germany, Vincotech also owns and operates a production site in Bicske, Hungary, and maintain sales offices around the world. With some 600 employees worldwide, Vincotech delivers off-the-shelf products and application-specific solutions with utmost empathy for your needs – fast and flexible.

To reinforce our team based in Bicske, we are seeking a ...

DEVELOPMENT ENGINEER [m/f] [characterization and datasheet creation]

Your skills are in demand. We need you to:

- / Operation, maintenance and continuous development of the data sheet creation process of Vincotech power modules.
- / Preparation of module data sheets; maintenance and development of data structure and system of the substantive parts
- / Operation and development of the data sheet approval process
- / Datasheet change management according to external and internal needs; mass implementation of changes on the content and form of datasheets.
- / Operation and continuous development of characterization data system
- / Software development of characterization measuring instruments in LabView environment

Your credentials are persuasive. You have:

- / Electrical engineering qualification
- / Knowledge of electronic schematics
- / Knowledge of semiconductor test technology, a few years of experience
- / Knowledge of industrial software development
- / Knowledge of database development
- / Must be fluent in spoken and written English
- / Accuracy, precision and flexibility
- / Ability to work both independently and in team
- / Project approach

Preferred skills:

- / Knowledge of LabView environment
- / Knowledge of Visual Basic programming
- / Experience in power electronics (IGBT)
- / German language knowledge

Many interesting and varied tasks await you at Vincotech, where you will find a modern working environment, a long-term perspective, an attractive salary and very good benefits. We will be delighted to welcome you to our company with flat hierarchies as well as an open and team-minded culture. And you are sure to be delighted with our rich and rewarding professional development offering.

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
