IT ENGINEER - INFRASTRUCTURE

[all genders]

Vincotech

Headquartered in Unterhaching near Munich, Germany, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of 900 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

We ambitiously tackle the surging demand for efficient power conversion. Our innovative power modules bring our customers' best ideas to life and facilitate market-leading, energy-efficient applications. With speed and flexibility, we improve people's lives around the world and create a sustainable future. We attribute our international success to our **unstoppable team**.

Our amazing employees leverage each other's strengths and support one another unconditionally to succeed together. **Every individual is key to our exceptional performance**. Each is appreciated and empowered to make the most of their potential. We are motivated and rightly so, for our work is **impactful**.

Our promise to you is clear: **We bring our customers' best ideas to life**. Join us and **empower meaningful ideas**.

To make the best out of your work, we need you to:

- / Operate a mainly Microsoft-based system environment
- / Run the infrastructure needed for business and IT projects
- / Identify and exploit consolidation opportunities in the IT system environment
- / Rapidly resolve operational issues and optimize systems
- / Prepare and update IT documentation
- / Monitor IT systems' security and troubleshoot problems

LET'S EMPOWER MEANINGFUL IDEAS!

You are a good fit, if you have:

- / 5+ years of relevant professional experience
- / Higher level IT qualifications
- / Thorough knowledge of Microsoft server and client environments
- / Proficiency operating in a virtualized environment [VMWare]
- / Microsoft SCCM/MCM environment operation and support skills
- / Powershell scripting skills needed for operational tasks
- / Expertise managing Cisco LAN/WAN/Wi-Fi and cloud solutions' day-to-day operations
- / Excellent verbal and written communication skills
- / Fluency in English
- / A supportive and collaborative attitude

Join us and succeed in a winning team:

- / Be part of a company, which is a key enabler of efficient and affordable energy use everywhere, which is one of the most important megatrends of our society and a necessity for generations to come
- / Drive change and have a direct impact on future business and the future of Vincotech
- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
