PROCESS ENGINEER TRAINEE

[all genders]

Vincotech

Headquartered in Unterhaching near Munich, Germany, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of 900 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

We ambitiously tackle the surging demand for efficient power conversion. Our innovative power modules bring our customers' best ideas to life and facilitate market-leading, energy-efficient applications. With speed and flexibility, we improve people's lives around the world and create a sustainable future. We attribute our international success to our **unstoppable team**.

Our amazing employees leverage each other's strengths and support one another unconditionally to succeed together. **Every individual is key to our exceptional performance**. Each is appreciated and empowered to make the most of their potential. We are motivated and rightly so, for our work is **impactful**.

Our promise to you is clear: **We bring our customers' best ideas to life**. Join us and **empower meaningful ideas**.

To make the best out of your work, we need you to:

- / Support process engineering activities
- / Conduct and evaluate tests related to process improvements, machine installations, and quality root cause analyses, in cooperation with the relevant Engineers

LET'S EMPOWER MEANINGFUL IDEAS!

You are a good fit, if you have:

- / English knowledge
- / The ability to work in a cross-functional environment
- / Ongoing studies in the field of mechanical engineering/electrical engineering/ manufacturing technology
- / Knowledge of statistical methods is an advantage [e.g., Minitab]
- / Good communication skills, problem-solving ability, reliability, decisiveness, resourcefulness, precision, ability to work independently

Join us and succeed in a winning team:

- / Be part of a company, which is a key enabler of efficient and affordable energy use everywhere, which is one of the most important megatrends of our society and a necessity for generations to come
- / Be part of our motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking
- / Drive change and have a direct impact on future business and the future of Vincotech
- / Enjoy an attractive salary and excellent benefits [commuting allowance, free apple and ice-cream days, gym with personal trainer and physiotherapist, community programs, company events]

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
