Vincotech

Headquartered in Unterhaching near Munich, Germany, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of 900 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

We ambitiously tackle the surging demand for efficient power conversion. Our innovative power modules bring our customers' best ideas to life and facilitate market-leading, energy-efficient applications. With speed and flexibility, we improve people's lives around the world and create a sustainable future. We attribute our international success to our **unstoppable team**.

Our amazing employees leverage each other's strengths and support one another unconditionally to succeed together. **Every individual is key to our exceptional performance**. Each is appreciated and empowered to make the most of their potential. We are motivated and rightly so, for our work is **impactful**.

Our promise to you is clear: **We bring our customers' best ideas to life**. Join us and **empower meaningful ideas**.

To make the best out of your work, we need you to:

- / Support supplier quality activities
- / Actively participate in supplier claim investigations
- / Perform incoming inspection, analysis, and administration
- / Use measuring equipments, such as 3D scanner and digital microscope
- / Manage tasks using SAP, MS Teams, and MS SharePoint
- / Support in material booking and sample logistics
- / Collaborate with other departments

LET'S EMPOWER MEANINGFUL IDEAS!

You are a good fit, if you have:

- / Intermediate English skills [primarily written]
- / Native proficiency in Hungarian
- / The ability to work in a cross-functional environment
- / Enrolled in a higher education institution, are pursuing a degree preferably with a technical interest, and can devote at least 3 days/24 hours per week to us
- / Proficiency in MS Office
- / Strong teamwork skills and enjoy collaborating with others to achieve common goals
- / A curious mind and a proactive mindset

Join us and succeed in a winning team:

- / Be part of a company, which is a key enabler of efficient and affordable energy use everywhere, which is one of the most important megatrends of our society and a necessity for generations to come
- / Drive change and have a direct impact on future business and the future of Vincotech
- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
