

**Team up with us!** Vincotech, a group company within the Mitsubishi Electric Corporation, is a market leader and reliable partner in power modules. The enterprise develops and manufactures high-quality electronic power components for motion control, renewable energy, and power supply applications.

Headquartered in Unterhaching near Munich, Germany, Vincotech also owns and operates a production site in Bicske, Hungary, and maintains sales offices around the world. With some 800 employees worldwide, Vincotech delivers off-the-shelf products and application-specific solutions with utmost empathy for customers' needs – fast and flexible.

To reinforce our management team based near Budapest's western outskirts, we are seeking a

## IT MANAGER [all genders]

### Your skills are in demand. We need you to:

- / Manage and coordinate the IT functions of Vincotech Hungary Ltd. across multiple sub-functions such as software development, infrastructure development, end-user support, data management and IT security to meet all the company's business and compliance requirements
- / Lead your team's efforts to select, roll out and run IT solutions optimized to meet business stakeholders' needs
- / Develop and implement IT strategies, guidelines and procedures to support business demands over the short, medium and long term
- / Direct your team's efforts to design, select, develop, integrate, operate and maintain business application systems within the Vincotech business environment, and manage, monitor and improve legacy and new IT systems
- / Lead the IT team, build its knowledge base and hone IT skills that are specific to Vincotech Hungary Ltd.'s mission
- / Work under the guidance of and in close collaboration with the Head of Global IT
- / Coordinate activities and projects with the Head of Global IT, the internal IT team and external supporters

### Your credentials are persuasive. You have:

- / A university or college degree [IT, Software Engineer]
- / Experience with Microsoft products, virtualization, network architectures, SAP ERP, SQL databases and programming paradigms
- / More than five years' experience leading people in the manufacturing industry
- / Excellent negotiation skills at all levels [must have]

### Your are:

- / A mover and shaker with a hands-on mindset and a can-do work ethic
- / A strong analytical thinker and an action-minded problem solver
- / Organized and well structured
- / A team player who can also manage an international team

### We walk the talk. We offer an opportunity for you to:

- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking
- / Find long-term career prospects, an attractive salary, very good benefits and a company car – all this can be part of your priority package at Vincotech

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
