

**Team up with us!** Vincotech, a group company within the Mitsubishi Electric Corporation, is a market leader and reliable partner in power modules. The enterprise develops and manufactures high-quality electronic power components for motion control, renewable energy, and power supply applications.

Headquartered in Unterhaching near Munich, Germany, Vincotech also owns and operates a production site in Bicske, Hungary, and maintains sales offices around the world. With some 800 employees worldwide, Vincotech delivers off-the-shelf products and application-specific solutions with utmost empathy for customers' needs – fast and flexible.

To reinforce our management team based near Budapest's western outskirts, we are seeking an

## TOOL DEVELOPMENT ENGINEER [all genders]

You will support our Finance department in various exciting business challenges.

### Your skills are in demand. We need you to:

- / Mechanical development of complex production supporting tools or equipment into clean room production area [fixtures, carriers, adapters, assembly stations...etc.]
- / Knowledge of machining technologies and materials
- / Feasibility study for each design, estimation of manufacturing costs and timing
- / If necessary make finite element analysis to select the optimal design of different concepts
- / Preparation of complete 2D documentation as required: drawings, part list, assembly & measuring instructions, etc.
- / Coordinating and supporting the functional testing of new or modified tool implementation
- / Organize meetings with key stakeholders and other departments which are involved in the project
- / Maintain good relationships with suppliers and internal workshop
- / Continuous engineering support for production

### Your credentials are persuasive. You have:

- / University or College degree [Mechanical Engineer]
- / 3-5 years technical experience is an advantage
- / Proper usage & experience of CAD software [preference: Solid Edge]
- / Fluent English and Hungarian knowledge, both verbal and written [technical language knowledge is a must]
- / Excellent cooperation and communication skills
- / Proactive and self-employed personality

### We walk the talk. We offer an opportunity for you to:

- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking
- / Find long-term career prospects, an attractive salary, and very good benefits – all this can be part of your priority package at Vincotech

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
