## MANAGER FINANCE & ACCOUNTING

[all genders]

Vincotech

Headquartered in Unterhaching near Munich, Germany, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of more than 700 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

We ambitiously tackle the surging demand for efficient power conversion. Our innovative power modules bring our customers' best ideas to life and facilitate market-leading, energy-efficient applications. With speed and flexibility, we improve people's lives around the world and create a sustainable future. We attribute our international success to our **unstoppable team**.

Our amazing employees leverage each other's strengths and support one another unconditionally to succeed together. **Every individual is key to our exceptional performance**. Each is appreciated and empowered to make the most of their potential. We are motivated and rightly so, for our work is **impactful**.

Our promise to you is clear: **We bring our customers' best ideas to life**. Join us and **empower meaningful ideas**.

### To make the best out of your work, we need you to:

- / Shape and drive the financial accounting processes of our German legal entity, including its branches
- / Take full ownership of statutory accounting and reporting, ensuring compliance with HGB and IFRS
- / Oversee general ledger and subsidiary ledgers across multiple entities with accuracy
- / Ensure the timely preparation of monthly financial statements and related reports, including VAT reporting and transfer pricing documentation
- / Manage the process of annual financial statements and yearly tax declarations for our entities and assess tax implications in collaboration with external tax advisors
- / Actively contribute to business planning and group reporting while partnering closely with management on accounting and reporting topics
- / Build and maintain strong relationships with external stakeholders such as auditors, legal advisors, banks, and insurance providers
- / Drive continuous improvement and digital transformation in financial processes
- / Lead, support, and further develop a small team
- / Manage selected supplier contracts, including insurance-related agreements

LET'S EMPOWER MEANINGFUL IDEAS!

## You are a good fit if you have:

- / 5+ years of solid finance experience in an international B2B environment
- / A BS/MA degree in finance, accounting, or a recognized professional qualification such as CMA
- / Strong knowledge of rules and regulations (HGB, taxation)
- / A proactive, hands-on approach: you take the initiative, solve problems, and get things done
- / Strong communication skills and the ability to effectively collaborate with colleagues worldwide
- / Excellent organizational skills, resilience, and sense of responsibility
- / An aptitude for IT with advanced MS Excel skills and experience with SAP or another ERP system
- / Fluency in written and spoken English and German

## Join us and succeed in a winning team:

- / Take on broad responsibility across the full accounting spectrum in an international, mid-sized company
- / Have the opportunity to help shape and build the team of the future as it is being newly established in the context of upcoming retirements
- / Experience a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking
- / Find long-term career prospects, and enjoy an attractive salary and excellent benefits

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
