

To reinforce our R&D team, we are seeking an

R&D technological lab trainee

[all genders]

Vincotech

Vincotech is the go-to source for power modules that drive motion control, renewable energy, and power supply applications. We work hard to deliver off-the-shelf and made-to-order products to meet all our customers' needs.

Fast and flexible is our motto. Everything we do gets done with the future in mind. This is where you come in.

Join us, a successful market leader and reliable partner, to help build a better tomorrow with sustainable technologies. Let's make an impact together.

Headquartered in Unterhaching near Munich, we also own and operate a plant in Bicske, Hungary, and maintain sales offices around the world. Our global team of 700 people welcomes you to Vincotech, a Mitsubishi Electric Corporation company.

Your skills are in demand. We need you to:

- / Prepare power electronic components and modules for error analysis
- / Perform error analysis [cuts, optical analysis, ultrasound]
- / Handle test equipment
- / Evaluate and verify test results
- / Record test results in the database

Your credentials are persuasive. You have:

- / Basic knowledge of electrical or mechanical engineering, relevant secondary education an advantage
- / Knowledge of materials technology
- / Practical knowledge of soldering and gluing
- / Accuracy, precision, flexibility and dexterity
- / Ability to work both independently and in a team
- / User-level knowledge of Microsoft Excel

EMPOWERING YOUR IDEAS

Join us and take this opportunity to:

- / Enhance your skills and experience in semiconductor testing
- / Develop your English language skills
- / Gain laboratory experience

What we provide:

- / Long-term work prospects, development opportunities, real work experience
- / Independent work after training period, home office possible
- / Reimbursement of travel expenses
- / Loyalty bonus after half a year
- / 2-storey gym with personal trainer and physiotherapist

Many interesting and varied tasks await you at Vincotech, where you will find a modern working environment, a long-term perspective, an attractive salary and very good benefits. We will be delighted to welcome you to our company with flat hierarchies as well as an open and team-minded culture. And you are sure to be delighted with our rich and rewarding professional development offering.

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
