

Team up with us! Vincotech, an independent company within the Mitsubishi Electric Corporation, is a market leader and reliable partner in power modules. The enterprise develops and manufactures high-quality electronic power components for motion control, renewable energy, and power supply applications.

Headquartered in Unterhaching near Munich, Germany, Vincotech also owns and operates a production site in Bicske, Hungary, and maintain sales offices around the world. With some 600 employees worldwide, Vincotech delivers off-the-shelf products and application-specific solutions with utmost empathy for customers' needs – fast and flexible.

To reinforce our team based just southeast of Munich, we are seeking a ...

WORKING STUDENT [m/f] TO SUPPORT PRODUCT MARKETING

Your responsibilities:

- / Draft the specifications for a PM costing and offering software tool
- / Create Excel tools for assessing project, forecast and offering data
- / Support efforts to automate price list generation
- / Update PowerPoint product presentations

Your credentials:

- / Engineering student (power electronics, electrical engineering, business engineering) or a comparable technical field of study
- / Very good Excel skills
- / Keen powers of perception and the ability to work independently
- / Reliable, dedicating and persevering
- / Very good command of spoken and written English and German

We offer professional on-boarding as well as the opportunity to gain experience in product marketing working with an open-minded team. Pay is based on your individual experience, with 20 hours of flex time per week on average for a period of around six months.

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
