

Team up with us! Vincotech, an independent company within the Mitsubishi Electric Corporation, is a market leader and reliable partner in power modules. The enterprise develops and manufactures high-quality electronic power components for motion control, renewable energy, and power supply applications.

Headquartered in Unterhaching near Munich, Germany, Vincotech also owns and operates a production site in Bicske, Hungary, and maintains sales offices around the world. With some 800 employees worldwide, Vincotech delivers off-the-shelf products and application-specific solutions with utmost empathy for customers' needs – fast and flexible.

To reinforce our Asian sales team, we are seeking a

FIELD APPLICATION ENGINEER – NORTH CHINA [m/f]

Your skills are in demand. We need you to:

- / Identify of design-in opportunities
- / Lead the complete design-in process from first product presentations until product approval
- / Support running projects with regards to technical issues
- / Perform product trainings and roadmap updates for sales channels and end customers
- / Adapt technical documentation (presentations, manuals, application notes) to regional requirements
- / Specify regional requirements for new standard products within existing and new markets

Your credentials are persuasive. You have:

- / An Electrical Engineering degree, preferably in Power Electronics
- / At least 3 years in Power Electronics RD environment
- / A preferred industry experience in AC, DC motor drives and/or UPS, Solar Inverter
- / Proven strong communication skills in an international environment

Your are:

- / Willing to travel extensively
- / Highly self-motivated and enthusiastic
- / Fluent in spoken and written English

We walk the talk. We offer an opportunity for you to:

- / Be a successful Field Application Engineer supporting our customers from the first technical question over the design-in and design-win until the end of the product life cycle
- / Be part of a motivating company culture where flat hierarchies and quick decision-making are realities rather than wishful thinking
- / Find long-term career prospects, an attractive salary and very good benefits. All this can be part of your priority package at Vincotech

We welcome your application and look forward to discussing how Vincotech can become your next career choice.
