### VINCOTECH TO SPONSOR VOLLEYBALL TEAM IN UNTERHACHING

*-- In a win-win-win scenario for the company, community and competition, TSV Haching München gets a new sponsor and Vincotech an opportunity to see its business values represented in a sporting arena. The fact that a new signing comes from Hungary fits well for the partnership as the company has strong ties to the country. --*

**Unterhaching, Germany, June 23, 2022. Vincotech, a supplier of module-based solutions for power electronics, is proud to announce its sponsorship deal with TSV Haching München. On a related note, the Bundesliga team recently signed Marcell Mikulass Koch. The Hungarian national team player is to join TSV Haching München when the new season kicks off in October 2022.**

Vincotech is headquartered in Unterhaching, but has strong ties to Hungary with a plant at Bicske near Budapest. When the local volleyball club TSV Haching München announced that it had signed a young Hungarian player, Vincotech found this to be the perfect opportunity to support a team that competes at the highest national level, the German Bundesliga.

“Volleyball is such a fun, clean team sport. It’s all about speed and flexibility, so the sport echoes our motto. The skills of the players on this team are phenomenal, and that commitment to excellence also sits well with us,” says Vincotech CEO Eckart Seitter. “We are proud to sponsor a local team which has such a strong impact to our local community. The fact that the latest signing comes from Hungary is a happy coincidence that clinched the deal for us.”

Unterhaching has long been a volleyball town. Its reputation for quality teams is well-earned with decades of on-court success. TSV Haching has won the *Pokal*, Germany’s multi-league cup competition, four times and the under-20s league three times. Commenting on the sponsorship deal, Haching’s managing director Mihail Paduretu says, “Eckart Seitter knows us since years and was a frequent visitor in the last season. We are very happy that we found a new sponsor from our community. Building up a young team takes time and having support from a local partner is valuable.”

The German Volleyball Bundesliga season starts in October 2022. Vincotech wishes the best of luck for TSV team and welcomes everybody to come and follow the matches.
