### **VINCOTECH SCALED THE AMOUNT OF €15,000 AT PCIM EUROPE**

*-- Vincotech arranged a boulder activity collecting money for kids schooling in Guatemala --*

**Unterhaching, Germany, May 23, 2016 – [Vincotech](http://www.vincotech.com), a supplier of module-based solutions for power electronics, arranged a charity boulder activity at the PCIM Europe show supporting Plan International Deutschland e.V. Vincotech's committed partners and its employees both tried to make as many ascents to the top of the 3-meter high boulder wall installed at the PCIM fair booth to support kids schooling in Guatemala.**

Vincotech promised € 20 to [Plan International](http://www.plan-international.de) for a tele-education project in Guatemala for every climber reaching the top of the wall. Thanks to their efforts, the company is proud to announce that they reached over 500 climbs during the 3 days of the fair. Vincotech then matched all contributions and a donation of € 15.000 was dispensed to child welfare organisation Plan International Deutschland e.V.

„Vincotech stands for a reliable partnership with our customers and business partners. We are also committed to give something back to society through social commitment. Therefore, a firm and sustainable partnership has been formed with Plan International within the last years. We are happy to sponsor aid projects supporting children's rights worldwide and continuously monitor the progress of these projects with great interest“, says Eckart Seitter / SVP Sales & Marketing.

Vincotech wishes to thank everyone who supported this activity and dared to ascend the top of the boulder wall.
