**VINCOTECH DONATES €10,000 TO PLAN INTERNATIONAL DEUTSCHLAND e. V.**

*-- Vincotech's social commitment remains strong as ever to the benefit of Tanzanian Eco Village --*

***Unterhaching, Germany – March 09, 2015 –Vincotech, a supplier of module-based solutions for power electronics, remains a staunch backer of the children's charity Plan International. Late last year, the company found a good way to get into the seasonal spirit of giving. Opting to forego the usual Christmas gifts, Vincotech instead donated the handsome sum of €10,000 to Plan International.***

This funding to Plan International goes to help people in Ifakara, Tanzania, adapt to the changing climate. Families in the Kilombero Valley region need a viable strategy for developing sustainable communities, and the Eco Village project certainly like a workable solution to the problem.

Vincotech has great confidence in the children's charity's ability to make a lasting difference, which is why the company has supported several Plan International projects. Vincotech will continue to track and report on this project's progress. Please see more on: <http://bit.ly/1xqWCPP>
